Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 USC 184. (a) If the Secretary of the Patent and Trademark Office determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (b) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (c) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (d) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (e) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (f) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (g) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (h) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (i) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (j) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (k) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (l) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (m) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (n) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (o) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (p) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (q) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (r) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (s) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (t) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (u) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (v) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (w) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (x) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (y) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order. (z) If the Secretary determines that the disclosure of the invention is necessary to the national health, safety or interest, he or she may, in his or her discretion, require the applicant to file a secrecy order.
